OUR CORE VALUES

WHAT WE BELIEVE IN

Healing Hands Care Limited is a provider of staffing solutions. Our philosophy is to focus upon the individual service user and to put them in the centre of the Care Service planning and Service delivery. To help achieve this, the Organisation has drawn upon the fundamental Core Values of Care to develop the following Service Values which will form the basis for considering the provision of an individual Care Service:

- ✓ Autonomy and independence of personal decision-making, including the assumption of risks as well as responsibilities associated with citizenship. Choice of occupational activities, lifestyle, and the best way to maintain independence, including the opportunity to select independently from a range of options.
- ✓ Respect for the intrinsic worth, dignity and individuality of the person and his / her racial and ethnic identity and cultural heritage. Participation and integration in society, and in the development of plans, policies and decisions affecting the individual's life.
- ✓ Knowledge about conditions and prospects, options and opportunities, and ways of improving the individual's life.
- ✓ Fulfilment of personal aspirations and abilities in all aspects of daily life, including the chance to develop new skills and knowledge. Privacy from unnecessary intrusion, and the preservation and safeguarding of confidentiality.
- ✓ Equality of opportunity and access to services irrespective of age, race or ethnic origin, creed, colour, religion, political affiliation, disability or impairments, marital status, parenthood, sexual gender or sexual orientation. provider of staffing solutions.
- ✓ Our philosophy is to focus upon the individual service user and to put them in the centre of the Care Service planning and Service delivery. To help achieve this, the Organisation has drawn upon the fundamental Core
- ✓ Values of Care to develop the following Service Values which will form the basis for considering the provision of an individual Care Service:
